

Trash & Recycling Service for the City of Anna, Texas

Trash Collection: Please use the **blue 96 gallon** polycart for regular household trash. Place the **blue 96 gallon** polycart out and away from the mailbox by 7:00 a.m. on **Tuesday** mornings. Except for a maximum of two (2) small bulk items or bundles, all regular household trash must fit within the blue polycart. The horizontal and vertical dimensions of a small bulk item may not exceed four feet in any direction and the weight must be less than 50 lbs. Bundles of tree, shrub and brush trimmings must be securely tied together to form an easily handled package, not to exceed four feet in length and 50 lbs. in weight. Grass clippings or other trash bags placed outside the polycart will not be picked up.

Recycling Collection: Please use the **green 64 gallon** polycart for the recycling collection. Place the **green 64 gallon** polycart out and away from mailbox by 7:00 a.m. on **Friday** mornings. All recycling items must fit within the green polycart and must not be bagged. Any recycling polycart that has regular trash mixed in with the recycling or that is bagged will not be collected.
